# OUR Services

So, picture your next special occasion; a sumptuous wedding, a formal business function, an exciting sporting event, or anniversary party, Claremont Marquees Ltd. are committed to making every event a memorable one.

With professional help from William and Julia, the worry can be taken out of the planning. From your initial enquiry to Julia via telephone or email, you can discuss all your requirements. You will then receive a free, no obligation quotation, subject to a site visit from William.

Your site visit will consist of site measurement, discussion of colour schemes and lining, flooring and lighting options and other services

to realise your perfect day. A finalised budget will also be discussed. You will also have a chance to view photographs of previous events that we have hosted.

Apart from the coloured linings we can also offer a Starlight black lining with integral fibre optic lights. We can also supply foliage displays and table decorations, and organise anything from live music and discos to exhibitions and fireworks.

We understand that entertaining at any level can be a daunting task. Whatever your venue, be it an intimate gathering of loved ones or accommodating a party of 1,000, our aim will be to provide you with a memorable event with personal quality service.

Apart from our standard ivory pleated linings we can also offer a Starlight black ceiling lining with integral fibre optic lights, LED lit blue ceiling linings and bespoke coloured swags and drapes to coordinate with bridesmaid dresses or your chosen colour scheme.

Lighting can be simple festoon lights and spots to luxury chandeliers, uplighter with coloured gels and lights for internal and external uses, such as colour washing trees and buildings.

Flooring comes in many guises. We can supply carpet, parquet dance floors, wooden flooring, raised stage areas and organise scaffolding if the site is particularly uneven - every problem has a solution.

We can also supply foliage displays and table decorations, luxury toilets and organise anything from caterers, live music and discos to fireworks.
